More informations

Catering

The CityLAB offers no preparation of food or drinks. An independent delivery of catering / beverages is therefore possible.

Staff

We are willing to help with the organisation of the event, but do not provide any service staff.

Entrance / Delivery access

The main entrance has access via a wide staircase (3 steps) and a wheelchair ramp. Delivery by truck is possible. The width of the entrance door is: 2 x 100 cm.

Parking

A public parking lot is directly in front of the entrance.

Guests amount

Please note, that according to legal regulations, a maximum of 199 people may be on the premises at the same time.

Accessibility

Both, event room and conference room, as well as the toilets can be reached via 8 steps (0.5 floor). There is no elevator.

Heating and ventilation

All our rooms are equipped with heating, but there is no air conditioning available.
